From the Chairperson:

Mr. Sachin Yadav, Secretary Prerana

Foundation: 2019 flood was most hazardous and challenging flood for Sangli and Kolhapur people. Flood ruined daily life style of people, everything were collapsed in front of heavy flood situation, it was very tough time for facing mental physical and social wellbeing for flood affected people. All NGOs and all social workers, NGOs and officials

reached communities and supported each one. During this year, many of NGO partners and govt Officials such as SEEDS Delhi, Care India Delhi, Mahatma Phule Samaj Seva Mandal, Seva Sahyog, Goonj, Biodiversity Board Nagpur, Security Exchange board of India (SEBI) and Gram Panchayats have gave us tremendous support, so, we could done better work. **It is our prior need to focus towards chronic situation arise due to pandemic and make significant, positive impact through our integrated, community based and participatory approach on ongoing social issues and pandemic issues.**

Overview of the Year:

Year 2019 will consider in future as most flood affected year, it was unbelievable flood situation were happened in Sangli and Kolhapur. Flood in Sangli and Kolhapur is not only affected on homes of people but also agriculture and businesses were also affected by flood. Severity of flood was more dangerous to most marginalised people in flood affected people. They lost their earning capacity and living standard due to heavy flood.

So, it was urgency to work for support to flood affected people from villages, so, many people were came together to support these flood affected villages. Our main aim was to make stand out these marginalised families and increase their living standard which was affected due to severe flood in village. We are looking for increase capacity building and skill upgradation for marginalised families through various integrated and participatory approaches.

Projects:

1. Capacity Building and Youth Skill Development:

Capacity Building and Skill development

Prerana Foundation identified rural issues in that lack of skills, knowledge and capacity is major reason to set back rural community towards underprivileged lifestyle. So, we focus towards capacity building and skill development of rural youth for livelihood generation. With this moto Prerana foundation has collaboratively worked with many grampanchayats like Kondaiwadi and Pandharewadi Grampanchayat shirala block, Sangli and Bilul Grampanchayat of Jat block, Sangli District. It is beneficial for 250 beneficiaries.

Cloth for work and school to school by Goonj

2. Cloth for work and school to school by goonj:

Prerana Foundation has channelized rural livelihood issues with Goonj Mumbai through generating “Cloth for work and school to school” activity for poor and needy people. Main Purpose of this activity is to support needy person and support children those are unable to take school material. Goonj, Mumbai and Prerana Foundation provided sanitary pads, CFW kit and school kit for 1090 beneficiaries at Walwa block.

4. Financial Literacy by Security Exchange Board of India:

Female is backbone of family but most of time due to illiteracy and unawareness they are poor about financial knowledge. Prerana concentrated

on this issue and started sensitizing on skills and knowledge about financial literacy with SEBI, Mumbai, it benefits 520 beneficiaries from 15 villages of Walwa block and Shirala block, Sangli District from 20 trainings

Distribution of School kit, water filter and utensils

5. Distribution of School kit, water filter and utensils: due to severity of flood, many anganwadis damaged and all-important anganwadis material destroyed in flood, So, Seva Sahyog, Pune supported Prerana Foundation for building anganwadis with material support and school kit distribution to needy students. It's distributed at 64 anganwadis.

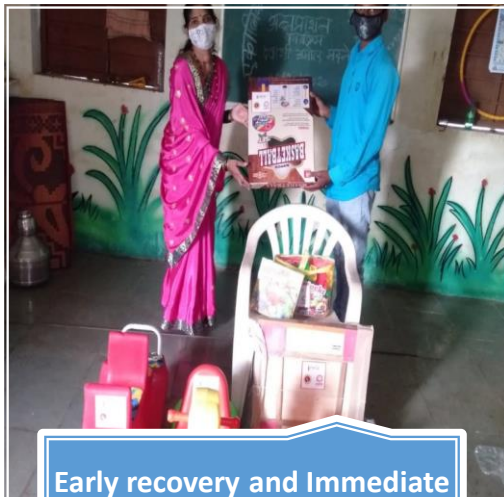

Preparation of peoples Biodiversity register

6. Preparation of peoples Biodiversity register: Prerana foundation started working on preparing People biodiversity register of 75 villages of Walwa block Sangli. Prerana foundation started creating awareness at village level regarding conservation of natural resources and sustainability of it.

Early Recovery and Immediate response in flood

Early recovery and Immediate Response in flood: Flood almost destroyed lifestyle of community located in Sangli and Kolhapur district. Everything was damaged and collapsed due to severity of flood.
