From the Chairperson:

Mr. Sachin Yadav, Secretary Prerana

Foundation: Covid 19 has created worse impact on our day today lifestyle. Many of our community members are facing severe problems of unemployment, poverty, health issues and lack of proper education. As community organisation we are providing support and help to our community members. During this year, many of NGO

partners and govt Officials such as Seva Sahyog, Goonj, Neharu Yuva Kendra and Gram Panchayats have gave us tremendous support, so, we could done better work. **We are looking forward to make significant change in society through our integrated, community based and participatory approach on ongoing social issues.**

Overview of the Year:

This year was very crucial year since second wave has emerged very early beginning of year. Strict regulations and lockdown were imposed to civil society. So, as a result most of work activities have become very slow and steady. Many NGO's has faced challenges to get funds to survive at this second year after covid 19 emerged,

It was very struggling period for all of us. At community level many of people pushed down to poverty due to destruction of economic, social and health structure under pandemic situation. Our aim was to keep sustainable in this crucial timeframe. Our focus were on **“keep sustainable and improve capacity building through skill development”**.
